

Hybrid Organizations and the Third Sector: Challenges for Practice, Theory and Policy

By -

Palgrave Macmillan. Paperback. Book Condition: New. Paperback. 256 pages. Dimensions: 8.4in. x 5.4in. x 0.6in. This crisp edited volume provides a useful addition to the growing, albeit still limited, literature on the critical analysis of hybrid forms of third sector organisations in the United Kingdom and elsewhere, and the challenges these organisations face in the delivery of welfare services as a result of their hybridity. This book also serves, according to the editor, to mark the 30th anniversary of the establishment of research and teaching on the voluntary third sector at the Centre for Civil Society, London School of Economics. - Dr. Celine Chew, Voluntary Sector Review. This is an excellent book. The chapters are tight, well written, and substantial. . . . The contributors are literally some of the rock stars of the world of nonprofit scholarship. . . anyone with an interest in nonprofit organizations, the third sector or social policy should want this book. It ought to be required reading for nonprofit academic programs everywhere. - Voluntas David Billis's scholarly contributions mark the history of nonprofit studies in the United Kingdom, and his contributions are of global importance . . . he offers a new theory on hybrid organizations...
