Brand New Book ***** Print on Demand *****.Excerpt from The Legal Subjection of Men I have been usually credited with being the chief author of the following brochure. Such, however, is not the case. The Legal Subjection of Men is in great part the work of an Irish barrister and LL.D. of Dublin, who died a few years ago. That portions here and there are from my pen is true, but for the bulk of the pamphlet I am not directly responsible, as any expert in literary style will probably detect. I mention the circumstance in writing the few words of preface for the new edition asked of me by the publishers, not with a view to any disclaimer, but simply in the interests of literary truth and accuracy. For though, as stated, only myself directly responsible for short sections, I none the less, in the main, heartily endorse the whole. The present edition has been carefully corrected and the Law brought up to date, though the illustrative cases necessarily remain as in the original edition.
