Reviews

It is great and fantastic. I actually have read and so i am certain that i am going to going to go through once again yet again in the future. I realized this ebook from my dad and i encouraged this book to find out.

(Dr. Kayden Gerlach)

STATUS OF MINERAL RESOURCE INFORMATION FOR THIRTY MISSION INDIAN RESERVATION IN SOUTHERN CALIFORNIA (PAPERBACK)

Createspace, United States, 2014. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.This book summarizes mineral resource information for 30 Indian reservations and rancherias in Southern California (Figure 1). It was prepared for the U.S. Bureau of Indian Affairs by the U.S. Bureau of Mines (USBM) and the U.S. Geological Survey (USGS) under an interagency agreement to compile and summarize available information on the geology, minerals, energy resources, and potential for economic development of certain Indian lands. Sources of information are published and unpublished reports, the Mineral Industry Location System (MILS) files of the U.S. Bureau of Mines, and personal communications. Information on the size, population, location, and climate of the reservations was extracted from U.S. Department of Commerce publication (1974). Reports on the water resources of certain reservations have been prepared separately by the U.S. Geological Survey and are available as open file reports from that agency. No fieldwork was carried out on any of the reservations.
