WHO KILLED HEALTHCARE?: AMERICA S \$1.5 TRILLION DOLLAR MEDICAL PROBLEM--AND THE CONSUMER-DRIVEN CURE (HARDBACK)

McGraw-Hill Education - Europe, United States, 2007. Hardback. Book Condition: New. 231 x 163 mm. Language: English . Brand New Book ***** Print on Demand *****.In the battle for U.S. health care, patients and doctors are losing. Who Killed Health Care? shows how to win the war. One of the nation s most respected health care analysts, Regina Herzlinger exposes the motives and methods of those who have crippled America s health care system-figures in the insurance, hospital, employment, governmental, and academic sectors. She proves how our current system, which is organized around payers and providers rather than the needs of its users, is dangerously eroding patient welfare and is pushing costs out of the reach of millions. Who Killed Health Care? then outlines Herzlinger s bold new plan for a consumer-driven system that will deliver affordable, high-quality care to everyone. By putting insurance money in the hands of patients, removing the middleman in the doctor-patient relationship, and giving employers cost relief, consumers and physicians will be empowered to make the system work the way it should. Herzlinger describes in precise detail how her innovative program will provide Smaller, disease-focused medical facilities that provide complete care for patients A national system of medical records that provides privacy with confidential access by approved practitioners Mandatory performance evaluations of all hospitals and all other medical organizations Mandatory health insurance with subsidies for those who cannot afford it Who Killed Health Care? is a call to arms that must be answered; the welfare of every American hangs in the balance. A brilliant analysis! A must-read. -- Bill George, Professor, Harvard Business School and Former CEO of Medtronic As it becomes more and more obvious to everyone that our current health care system is unsustainable, this is the book that had to be written....
