

Earth s Survivors: Plague (Paperback)

Filesize: 5.05 MB

Reviews

This pdf might be well worth a study, and a lot better than other. It really is simplistic but excitement inside the fifty percent in the book. Its been printed in an exceedingly straightforward way which is just after i finished reading this ebook through which really modified me, modify the way i believe.

EARTH S SURVIVORS: PLAGUE (PAPERBACK)

[DOWNLOAD](#)

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Plague outlines the sudden rise of the dead, chronicling the spread across the country. It follows Adam, Beth, Billy and Pearl as they head north looking for an antidote that can bring the plagues to end. It also sees the first babies born to the Nation, the formation of both the Fold and Alabama Island, and the loss of one of the founders of The Nation without whom the Nation may dissolve. Plague steps back to the first days of the catastrophe that nearly destroyed the world and takes a look behind the scenes at the government and military agencies that were involved in manipulating the data the world received, and developing a virus based drug that would enable soldiers to fight longer, harder, without food or water, even gravely wounded. Although never approved for release, one man took the circumstances and used them to his advantage, justifying the release of the virus worldwide in order to help mankind survive the coming catastrophe. The results of those actions are now being felt everywhere. At first it was survivors who should have died and didn't. Then it was isolated reports of people coming back from death. Now it is an epidemic raging across what is left of the planet. The dead are rising from death. Growing smarter. The virus was never fully tested and only now are the people finding out what the end results of it will be. Yes, it may have saved them all from certain death, but what was the cost? In the Nation the valley settlement is growing fast. The first winter for the survivors is on the way. The first OutRunner team has...
