Kensington Publishing, United States, 2016. Paperback. Book Condition: New. 171 x 105 mm. Language: English . Brand New Book. Surprises aplenty in this highly charged tale of romantic suspense. -- Booklist For a man with a past, the top isn't the safest place to be. . . Dark secrets and a string of messy affairs haven't stopped self-made millionaire Jamison Jackson from becoming mayor of Atlanta. But while he may have a gorgeous new wife and new alliances, he can't quite escape his past and those who want to see him fail. There's his jilted first wife, a lover he'd rather forget, and a ruthless faction of old guard politicians and power lords who have no problem getting blood on their hands. And the fact that Jamison's ambitious current wife, Val, schemed and blackmailed her way into his arms--despite his mother's not-so-subtle warnings--is far from the least of his problems. Because everyone's got something to gain from Jamison's losses--and as the games begin, more than his career may be at stake. Sex, politics, shady characters and plenty of mama drama to be had. A must-read! -- RT Book Reviews.
