

Diversity Amid Globalization: World Regions, Environment, Development with MasteringGeography (Mixed media product)

By Lester Rowntree, Martin Lewis, Marie Price

Pearson Education Limited, United Kingdom, 2015. Mixed media product. Book Condition: New. Global Ed.. 276 x 217 mm. Language: N/A. Brand New Book. For Introductory World Regional Geography/Regional Geography Courses. This package includes MasteringGeography. Students learn to think outside of the map Diversity Amid Globalization takes students on a journey into the connections and diversity between people and places-the contrasting regions of the world-within thematically organized regional chapters. With an arresting visual layout and new and updated content and maps throughout, the text maintains and strengthens its hallmark thematic organization and focus on globalization, while encouraging students to participate in the material using a number of stimulating, interactive learning tools. This package includes MasteringGeography, an online homework, tutorial, and assessment program designed to improve results by helping your students quickly master concepts. The book and MasteringGeography work together to create a classroom experience that is tightly integrated to help students succeed both in and outside of the classroom. MasteringGeography should only be purchased when required by an instructor. Please be sure you have the correct ISBN and Course ID. Instructors, contact your Pearson representative for more information.
