Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Songs for the Service of Prayer In compiling Songs for the Service of Prayer, the object has been to furnish a book containing hymns and tunes specially adapted to use in the social meetings of the Church; to this end, tunes of a purely congregational character, and hymns filled with prayer, praise, and worship have been selected. The classification by subjects will be found very thorough. We believe that this feature will commend the book to Pastors. In many cases abridgments have been made, where the elimination of stanzas would not mar the hymns for prayer-meeting use, thus affording space for a larger number of hymns. Nearly all of the old favorites, and the best of the modern Gospel Songs will be found in the work. For the use of the large number of copyrighted pieces, acknowledgments are gratefully tendered to the owners of the same; and for the kind co-operation of the Reverend gentlemen who cheerfully gave so much of their valuable time to a thorough examination and revision of the work, and to Mark Ayres, Esq., to whose rare judgment and experience much of the excellence of the work is due, the compiler tenders his most hearty thanks.
