Monsoon Books. Paperback. Book Condition: new. BRAND NEW, Year of the Tiger: A Wartime Secret in Singapore Triggers a Global Bioterrorism Nightmare, David Miller, During World War II, the Imperial Japanese Army under General Tomoyuki Yamashita looted untold amounts of gold and other valuables from across its occupied colonies in Southeast Asia to finance the empire's ongoing military expansion. But when the tide of war turned against Japan in 1943, much of this treasure had to be buried in secret. Over the decades, the search for the legendary Yamashita's Gold had been in vain, until now .A group of foreign workers digging a tunnel under the Padang in present-day Singapore stumbles across a treasure vault and inadvertently triggers a biological booby trap. An unknown strain of anthrax is released, threatening a global holocaust. It is up to Assistant Superintendent Gerald Loh of the Singapore Police Force to decipher a cryptic clue left behind with the loot to halt this deadly plague. Year of the Tiger takes readers on a roller-coaster journey of political wrangling, murky history and secret organisations to discover the elusive cure for a seemingly unstoppable pandemic.
