

The People in the Trees: A Novel

Filesize: 2.07 MB

Reviews

It is an awesome book that we have possibly go through. It is actually writter in straightforward words and phrases and not confusing. It is extremely difficult to leave it before concluding, once you begin to read the book.

Doubleday, 2013. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: " The People in the Trees is a Nabokovian phantasmagoria, bound to raise serious, interesting, troubling questions. Hanya Yanagihara is a writer to watch." -- Madison Smartt Bell, author of *The Color of Night* and *All Souls' Rising* "The People in the Trees is not a first novel like other first novels. This is a big, soaring, old-school, super-absorbing vehicle into another world. It's a mystery story, an ecological parable, a monstrous confession, and a fascinating consideration of moral relativism. Yanagihara's narrator is misanthropic and grotesque, yet simultaneously magnetic; her prose is dazzling; and her book is a triumph of the imagination. --Anthony Doerr, author of *Four Seasons in Rome* and *The Shell Collector* "This is an engrossing, beautifully detailed, at times amazing (and shocking) novel, and right up my alley: a far-off and beautiful place in the Pacific, islanders living to their own drumbeat, earnest meddling outsiders, and a sticky outcome--the Fall, with a lot of science and passion behind it, and an impressive debut for Hanya Yanagihara. I loved this book." --Paul Theroux, author of *The Lower River* and *The Great Railway Bazaar*.
