Total Fusion Ministries Press, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Pain Was My Friend is a powerful and true story, thirty years in the making, of suffering, miracles, triumph and more seen through the eyes of one decent yet flawed man. Pete O Shea tried to navigate a world filled with pain all by himself with disastrous consequences. When he had finally reached the full depths of despair and things looked completely hopeless, he cried out for the Lord to save him. What he found out was that God was there the whole time, waiting patiently for a healing and loving relationship. The metamorphosis of this once broken man is nothing short of miraculous. You will be amazed! Pete embarked on the arduous journey of writing this book soon after his car accident in 1984. Even though he knew the story could inspire others who were down as he once was and he was a professional writer, he could not get the words out. In a moment of desperation this past year, he begged God to tell him the reason why. God explained that he had not forgiven the man who hit him and forever altered the course of his life. Non-stop, chronic pain for 17 years had turned Pete into an angry, bitter person with no forgiveness in his stone heart. His Divine Destiny appeared to be thwarted. Once forgiveness was finally achieved through our Lord, this book came flying out of him. Pete feels a strong obligation to help others who suffer needlessly. This book is meant to provide hope and show you that God does perform miracles. Anything is possible with God and Pete s story is a perfect illustration of that....
