Createspace Independent Publishing Platform, United States, 2014. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.PLAY THE UKULELE LIKE A PRO IN MINUTES is a fingerprint-unique ukulele songbook which, after years of hard work and traveling, was put together lovingly by the Southern-California-based author Veronico Ron Somera, with musical notes, lyrics, chord charts, and instructions on the pages of this songbook drawn and handwritten or typed by the author himself, and, apart from showing you step-by-step just how easy it is to play the ukulele or the uke - that ageless instrument that has made the Pacific islands so irresistibly romantic - this one-of-a-kind songbook also gives you the original lyrics of many of those soothing classic songs (golden oldies) - you know, the kind that piano players play at hotel lobbies - and exactly what year each one of the songs was first written, and by whom (this songbook even has Christmas songs). For that alone, this book, indeed, could be a veritable Collector s Item, from an experienced musician-writer, for whom the musical instrument he loves should be spelled with its first letter capitalized -- Ukulele. And there sure is more! Well, you, for instance, could also go beyond the songbook and order for yourself any of the latest books of this author of Oriental descent -- such as, BROWN AMERICAN - Gold Edition - Somera s autobiographical book (just, please, follow this link: //), and BOLO WARRIORS - a Historical World War Novel (link: // Thank you.
