Reviews

It is great and fantastic. I actually have read and so i am certain that i am going to going to go through once again yet again in the future. I realized this ebook from my dad and i encouraged this book to find out.

Maclehose Press. 1 Paperback(s), 2011. soft. Book Condition: New. (Finalist for the 2012 CWA International Dagger Award) In the first thaw of spring, the body of a young woman surfaces in the River Torne, in the far north of Sweden. Rebecka Martinsson, working as a prosecutor in nearby Kiruna, has been awakened by visions of a shadowy, accusing figure. Could the body be connected to the ghostly young woman in her dreams? In this fourth book from multiple Swedish Crime Novel Award winner Åsa Larsson, Rebecka joins forces once again with Police Inspector Anna-Maria Mella, and is drawn into a murder and missing-person investigation that becomes entangled with old rumors of a German supply plane that mysteriously disappeared in 1943. Shame and secrecy shroud the locals' memories of the war, with Sweden's early collaboration with the Nazis still a raw wound. And on the windswept shore of a frozen lake lurks a faceless killer determined to keep the past buried forever beneath half a century's silent ice and snow. "Larsson's best book so far. The supernatural elements are worked seamlessly into a complex and engaging mystery, resulting in a thoroughly compelling reading experience."Booklist (starred review)"Stunning. As doom-filled as Larsson's leitmotif of ravens (in old Scandinavia the messengers of Odin, god of poetry and berserker fury), this remarkable tale of twisted love and vengeance and redemptive nonjudgmental devotion resounds, like its epigraph from the Book of Job, with all the pain of human existence."Publishers Weekly (starred review) 323.
