James E. Crouch. Paperback. Book Condition: New. Paperback. 548 pages. Dimensions: 9.0in. x 6.0in. x 1.2in. Some people think Tim Sloan is a pastor who acts like a cop. Some think he is a cop masquerading as a pastor. It turns out they are both right. Except that its no masquerade. The story begins as Tim takes a position as pastor in a small country church deep in the heart of Appalachia. The job is a cover while he investigates his mothers disappearance. Raised in a foster home until he was 18, Tim has always believed that his mother abandoned him at the age of five. Now he has learned that she had returned to the town of Cairns Grove to confront the wealthy man she claimed was Tims father and to demand child support. She never returned. Tim suspects she was murdered, and he intends to find the killer and avenge her death. His investigation takes longer than he has planned, and over the course of a year he unwittingly becomes embedded in the small Appalachian community and its web of formal and informal family relationships in ways he never anticipated. These relationships challenge both his hard-edged cynicism and his religious beliefs and lead to a surprising revelation: His mother was indeed murdered but not by the person whom he suspects. This discovery forces him to deal with a crisis of faith and conscience. The novel is built on layers of family issues: from the protagonists search for his mothers killer to compensate for his own lack of a family, to the family crises among the people he is forced to deal with, to his involvement in what may be called a family church, even to his life in a small community that functions (or dysfunctions) as a family. At...
