If, and or But Publishing, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The The Art of Sales Management is about the art of being a successful sales manager, and guiding the most talented people in an economy. The Art of Sales Management lessons imparted in this book consist of lessons learned over four decades in the field of salesmanship and sales management by the author. The book is designed to be both a philosophical and practical text on the subject. Sales Management refers to the managing of a team of salespeople, and building them into a team rather than having them merely function as a group . Teams work together as a cohesive unit, and groups tend to be a collection of individuals working independently, often going in different directions. This book seeks to engage the sales manager in the excitement of building any group of salespeople into a cohesive unit or team; brand new or long established. A selection of the important information covered in this book is: How to conduct successful sales meetings, and get results. How to train new salespeople. How to train a group and make them into a team. How to build a seasoned core of salespeople. How to make the entire sales activity into a game played by a team. How to resolve conflicts and commission disputes. How a manager should function with salespeople individually vs groups. Fifty Golden sales management lessons learned over four decades. Lessons from the Art of War by Sun Tzu for a sales manager to use. How to develop and follow a long range plan and unexpected changes. Creating organizational systems and efficiency in a sales office. What are good bonus systems, and which ones...
