McGraw-Hill Education - Europe, United States, 2013. Hardback. Book Condition: New. Updated Edition. 279 x 218 mm. Language: English, Spanish . Brand New Book. Tu mundo immerses the Intro Spanish student in a culturally rich world full of opportunities to discover and explore the powerful connections between themselves and the people and cultures of the Spanish-speaking world. Students dive in to intensive communicative practice, building confidence in their ability to interact in a meaningful way in Spanish with access to a wealth of tools to support and guide their progress, including video chat, interactive online scenarios, and an adaptive diagnostic program. In addition, students are able to create their own sense of community, resulting in a unique individual experience that will evolve organically with each student, sparking their natural curiosity about their world. Tu mundo employs a communicative methodology that focuses on developing all four skills, supported by the best digital learning platform available today: Connect Spanish. Because Tu mundo was designed with today's students in mind, students are more readily engaged with the content, thanks to their avid use of web-based tools, their innate interest in the cultures of other countries, and their preference for visual presentations and quick access to information. Tu mundo reflects the world in which our students live; where online learning, social networking, texting, instant messaging, mobile devices, tablets, online gaming, and virtual scenarios are an integral part of daily life. What are the pillars of Tu mundo? Our extensive and ongoing research in the Intro Spanish course has led to the creation of Tu mundo, with a strong emphasis on the 5 C's: Communication, Culture, Connections, Comparisons, and Communities. Tu mundo delivers content in a variety of ways in order to ensure consistent course outcomes across all course formats - improved communication performance skills:...
