Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

CHASING THE DEVIL: A DOROTHY PARKER MYSTERY

Jenevacris Press. Paperback. Book Condition: New. Paperback. 346 pages. Dimensions: 8.5in. x 5.5in. x 1.0in. It wasn't enough that the Toy Soldier should meet his disastrous end on the heels of Felix the Cat's midair explosion over Broadway at the first Macys Thanksgiving Day Parade, but to add insult to injury, Dorothy Parker comes face to face with a crazed murderer. War-weary Americans are taking a sober look at our nation's Bill of Rights at a time when no one cares to be sober, even though sobriety is the law of the land. The Scopes Monkey Trial has tested separation of church and state, and although sixty years have passed since the Thirteenth Amendment became law, Negroes still suffer indignities from the resurging power of the Klan after the release of *Birth of a Nation*. While Parker and Benchley search for an assassin, the reader is joyously carried along to Harlems famous Cotton Club, to the opening night of Noel Cowards new play, *Hay Fever*, for a romp through the University Club with Groucho Marx and a chase through Huberts Museum, winding up high above a jam-packed crowd in Times Square on New Years Eve. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
