Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Andreyev, on the other hand, is a child of civilization, steeped in its culture, and while as rebellious against some of the things of civilization as Gorky, he reacts to them in quite a different way. He is wondrously sensitive to every development, quickly appropriates what is new, and always keeps in the vanguard. His art is the resultant of all that the past ages have given us, of the things that we have learned in our own day, and of what we are just now learning. With this art Andreyev succeeds in communicating ideas, thoughts, and feelings so fine, so tenuous, so indefinite as to appear to transcend human expression. He does not care whether the things he writes about are true, whether his characters are real. What he aims to give is a true impression. And to convey this impression he does not scorn to use mysticism, symbolism, or even plain realism. His favorite characters are degenerates, psychopaths, abnormal eccentrics, or just creatures of fancy corresponding to no reality. Frequently, however, the characters, whether real or unreal, are as such of merely secondary importance, the chief aim being the interpretation of an idea or set of ideas, and the characters functioning primarily only as a medium for the embodiment of those ideas. PROLOGUE ACT I-THE BIRTH OF THE MAN ACT II-LOVE AND POVERTY ACT III-THE BALL GIVEN BY THE MAN ACT IV-RUIN AND BEREAVEMENT ACT V-THE DEATH OF THE MAN.
