Laws Relative To Personal Beings, Continued.--Society, Sociological Laws. In the last two chapters we have seen how the individual is subject to the laws of thought; to the laws of association; to moral and spiritual law, and to a phenomenal order that prevails throughout the universe; and now, we wish to enquire whether Human Society--the entire aggregation of individuals--is also subject to invariable and uniform laws, and if so whether those laws, or some of them, have been discovered and reliably formulated so that there may properly be said to exist at the present time a Science of Sociology. Is human society subject to law in its primary meaning, as we have seen physical nature to be, and have social affairs also such a fixed order of sequence as we have found to prevail throughout the realm of matter? If there is...
