Brand New Book ***** Print on Demand *****.Those who have authority over me are agents of change in my life; everything works out well in the end, if not, then it is not yet the end. Life begins during conception - growing slowly in the womb, it bursts out at birth and ends silently when death creeps in. The long period between birth and death is what we commonly call life that is the period when we exist to witness and execute all sorts of atrocities and conversely, the revered measures the world has to offer. It makes us ride the wave and live on the surface, missing out on our gifts. Looking back to where I came from - the unpleasant times, the appalling, dreadful years of my miserable past, the times when I was deprived, dispossessed and cast out by the ones I considered to be dear to me - causes inevitable streams of tears run down my cheeks. In my mind, I relive the pain, my wounds bleed again, but in my heart, I have found peace and healing, brought forth by gradually learning to forgive. Countless, excruciating memories run around in my head, reminiscent of a young girl who was physically and emotionally abused beyond repair in every aspect. It is difficult for me to look at the scars that I still carry with me today. Memories of sleepless nights and sobbing in silent whimpers, memories of involuntary fasting and frailty - such recollections haphazardly flash in and out of my mind, and each giving a gravely melancholic sensation - most would imagine this to be yet another farfetched folktale. How do you recover from a wound that is within? How...
