Brand New Book ***** Print on Demand *****.There s a blur between what is possible and what is impossible. And what is impossible to a lot of people is very possible to others. I m often reminded of one of the seemingly humorous statements John Lennon made. As you know, John Lennon became a multi-millionaire in the music business. He delivered tremendous value to this Earth, so he certainly deserved every single bit of that fame and fortune. Then there s others. I happen to live part of my life in Nashville, Tennessee, so I know the story about the struggling artist. And I know the guys and gals who play music and sing so beautifully they lift you to an ecstasy you experience with tears. And then they pack up their instruments, go out and get in their car and they ve got four of those may pop tires and no spare-you know, they may pop at any moment. Their parents warned them this is the way it would be and still, at family gatherings, admonish them to give up on their musical dreams and get a real job. I know the struggle people with a dream go through to try and make money. John Lennon once justified himself by saying, Look, we can make money other ways than music, too. See, Yoko Ono and I have proven that, because we ve got a dairy farm that s profitable. Proving that you can make money a different way than music is interesting, when most people say it s impossible to make money in music. There s a blur between the possible and impossible, and I urge you to never let your doubts, fears, or...
