Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Hungarians regard Az Erdely arany kora as, on the whole, the best of Jokai s great historical romances, and, to judge from the numerous existing versions of it, foreigners are of the same opinion as Hungarians. Few of Jokai s other tales have been translated so often, and the book is as great a favourite in Poland as it is in Germany. And certainly it fully deserves its great reputation, for it displays to the best advantage the author s three characteristic qualities-his powers of description, especially of nature, his dramatic intensity, and his peculiar humour. The scene of the story is laid among the virgin forests and inaccessible mountains of seventeenth-century Transylvania, where a proud and valiant feudal nobility still maintained a precarious independence long after the parent state of Hungary had become a Turkish province. We are transported into a semi-heroic, semi-barbarous borderland between the Past and the Present, where Mediaevalism has found a last retreat, and the civilizations of the East and West contend or coalesce. Bizarre, gorgeous, and picturesque forms flit before us-rude feudal magnates and refined Machiavellian intriguers; superb Turkish pashas and ferocious Moorish bandits; noble, high-minded ladies and tigrish odalisks; saturnine Hungarian heydukes, superstitious Wallachian peasants, savage Szeklers, and scarcely human Tartars.
