Although Kynes tale of business smarts has been around for some time (it was first published by William Randolph Hearst in 1921), it doesnt feel dated. Indeed, lumber wholesaler Cappy Rickss situation (he had more troubles than a hen with ducklings) mirrors that of many business leaders today. Its a straightforward parable about a young war veteran whos handed an opportunity that will either make or break his career. If he accepts the job and pulls it off, hes a go-getter; if he fails, its curtains. The kids motto-It shall be done-sums up Kynes point: even if youre unsure, say you can do it. Then figure out how to do it and make sure you succeed. Go above and beyond. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
