## A YORKSHIRE SKETCHBOOK

Royal Academy of Arts. Hardback. Book Condition: new. BRAND NEW, A Yorkshire Sketchbook, David Hockney, In recent years David Hockney has returned to England to paint the landscape of his childhood in East Yorkshire. Although his passionate interest in new technologies has led him to develop a virtuoso drawing technique on an iPad, he has also been accompanied outdoors by the traditional sketchbook, an invaluable tool as he works quickly to capture the changing light and fleeting effects of the weather. Executed in watercolour and ink, these panoramic scenes have the spatial complexity of finished paintings - the broad sweep of sky or road, the patchwork tapestry of land - yet convey the immediacy of Hockney's impressions. And as in the views down village streets and across kitchen tables that appear alongside them, his rooted and fond knowledge of the area around the East Yorkshire Wolds is always clear. If you know the region, the location of the sketches is unmistakable; if you don't, its features will come to life in these pages.
