Createspace Independent Publishing Platform, United States, 2014. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.A practical guide to digital production audio for film. Learn the ins and outs without an engineering degree. Make your movies sound better! Make them sound good, easy! From the back cover: Clear, usable production audio; we've all had issues achieving it. It's too complicated! What are all these settings about? Why does my mic sound hollow and crackly? You don't have to be a recording school graduate to understand audio. Let Jeremy walk you through the process with this quick, easy to read, non-tech-laden how-to guide that anyone can understand. Take the pain out of the process, and capture great location sound every time with Good Sounds Easy. Jeremy taught me more about sound in one day than I learned on all my previous films combined. -- Chuck Hartsell, Director.
