

The Bare Naked Book

Filesize: 2.33 MB

Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

(Mitchell Kuhn III)

Annick Press. Paperback. Book Condition: New. Heather Collins (illustrator). Paperback. 32 pages. Dimensions: 8.0in. x 7.9in. x 0.1in. The return of a treasured favorite about our bodies. There is nothing more ordinary -- or more special -- than the human body. After all, everybody has one, and for all the parts that are the same each comes in a different shape and size. The Bare Naked Book joyfully celebrates this wonderful ordinariness with a matter-of-fact introduction for toddlers to the parts of the body. From hair (dripping, straight, curly, tangled) to toes (stamping, ticklish, skinny, squishy) and the private bits in between, Kathy Stinsons playfully simple prose identifies the parts of the body at rest and in motion. Meanwhile, the friendly realism of Heather Collins illustrations offers a variety of body types in familiar environments, from the bathroom to the beach. Twenty years old and still going strong, The Bare Naked Book remains a favorite family introduction to the vocabulary of the body. Were proud to unveil this redesigned edition on this special anniversary. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
